Hi all,

As discussed on the NPD call yesterday, ORD NPDs and L/C Directors were encouraged to submit nominations for SAB members as part of the SAB annual process. The nominations we are aware of are compiled in the attached spreadsheet. Tina encouraged us to think broadly about visionary, innovative people who could make a positive contribution. If you have any thoughts on this, please respond immediately - we can enter nominations until COB tomorrow (Wed. 5/16).

Also, attached is last year's SAB/BOSC report from their review of the research frameworks. It may be useful to consider these recommendations as we think about Charge Questions for the upcoming meeting in July.
